

2 it is empowering

Zines give us the chance to clarify our thoughts & express what is truly important for us. Amateurism / DIY culture prioritizes process over results & cultivates playful inefficiency. We simply find out what we would enjoy making & happen. *anything can happen. it really can.*

Learn the required skills in the process, probably discovering new talents. ZINES provide support & food for thought in a very accessible & entertaining way. They are usually freely shared or left somewhere to be found.

1 it is fun

UNLIKE MANY OTHER FORMS OF ACTIVISM, ZINES DON'T HAVE TO BE PERFECT. EVERYBODY CAN MAKE ONE, SO WE GET TO HEAR MANY DIFFERENT VOICES, ON MANY TOPICS, EACH IN THEIR OWN, UNIQUE STYLE. THE CHOICES OF TOPICS & MEANS OF EXPRESSION ARE ENDLESS. *playful*

3 it builds community
ZINES HAVE BEEN A POWERFUL SUBCULTURAL MEDIUM FOR A LONG TIME. THEY ARE A FORM OF CONSTRUCTIVE, DIRECT ACTION THAT HELPS STRIVE FOR VISIBILITY.

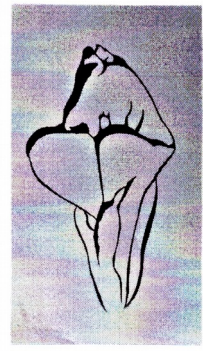

why make ZINES about sexual culture?

&
DIALOGUE ALSO, WE CAN USE THEM TO CREATE & SHAPE OUR SUBCULTURES & ZINES - MAKING EVENTS PROVIDE SPACES FOR DISCUSSION, CONNECTION, COLLABORATION, WE ALSO SHARE SKILLS & KNOWLEDGE.
